

China Standards Notes

April 30, 2010

- According to *China's Food Safety Law* and its implementing measures, the Legislative Affairs Office of the State Council published the *Management Measures of Food Safety National Standards (Draft)* for public comments, due May 25, 2010. Based on the 32- article Draft, China's Ministry of Health (MOH) is charged to develop and publish food safety national standards; it specifies the processes of drafting, evaluation, approval and announcement of food safety national standards. <http://www.chinalaw.gov.cn/article/cazjgg/201004/20100400253210.shtml>
- Thirteen electronics industry standards were released by China's Ministry of Industry and Information Technology for public comments, due May 8, 2010. <http://www.miit.gov.cn/n11293472/n11293832/n12845605/13168271.html>
- According to Article 21 of *China's Food Safety Law*, MOH published 66 food safety national standards. <http://www.moh.gov.cn/publicfiles/business/htmlfiles/mohwsjdj/s7891/201004/46935.htm>
