

Dow Wilson

President and CEO, Varian Medical Systems

Dow R. Wilson is President and Chief Executive Officer of Varian Medical Systems and a member of the company's Board of Directors. He has significant global experience and has spent eight years of his career living outside of the United States. He also initiated GE Healthcare's first major product initiatives in China during the 1990s. Mr. Wilson has held key executive positions since joining Varian in 2005. Mr. Wilson joined Varian following a 19-year career with General Electric, in a variety of senior management positions.

Mr. Wilson serves on the Board of Directors of Saba Software. He is also a member of the National Advisory Council of Brigham Young University School of Business. A graduate of Brigham Young University, Wilson also holds an MBA from the Amos Tuck School of Business at Dartmouth.
