# Tariffs and Free Trade Agreements

- Countries may assess a tariff and local taxes on your product that will have to be paid before it can enter the market. [Learn about Import Tariffs.](#)
- To look up foreign tariffs and taxes, go to the [Customs Info Database](#). [Learn more about this tool.](#)
- If you are selling to a country with which the U.S. has a free trade agreement, check out our [FTA Help Center](#). You will find information about how to qualify your goods for preferential tariffs, where to look up tariff rates, and information about each agreement.
- If your company finds itself subject to a foreign trade remedy action, the International Trade Administration's [Trade Remedy Compliance Staff](#) can help.
