## Business Service Providers (BSP)

The Business Service Provider (BSP) directories are designed to help U.S. companies identify professional service providers to assist them in the assessment, completion, and/or financing of an export transaction.

The U.S. Commercial Service has developed lists of business service providers, firms that provide professional services to foreign and domestic companies alike. The companies listed were selected based on our long experience with the type of support that U.S. companies usually seek when initiating or expanding business in the Trade Americas region. This experienced group of firms offers useful services for U.S. companies interested in initiating or expanding business in the Americas.

Just click on the country you are doing business in, then the category of your choice, and view the companies listed.
