

## Health Technologies Resource Guide

The Healthcare Technologies Resource Guide provides in country market intelligence from Healthcare specialists around the world.

# Healthcare Technologies Resource Guide

The Healthcare Technologies Resource Guide provides in country market intelligence from Healthcare specialists around the world. In each of the below market briefs you can find information on:

**Market Entry | Current Market Trends | Main Competitors | Current Demand | Registration Process  
Reimbursement | Barriers | Procurement and Tenders | Local Associations | FAQ'S | Statistical Snapshot**

Additionally, we would also like to extend a special thank you to ITA's Office of Health and Information Technologies (OHIT) in the Industry & Analysis division for their policy contributions in select chapters throughout this report. OHIT identifies and addresses systematic trade barriers affecting U.S. companies that

hinder exports. The Industry & Analysis business unit's staff of industry, trade, and economic experts provide detailed analysis to strengthen the export competitiveness of U.S. industry and support strategies to unlock export and investment opportunities that benefit the U.S. economy.

### International Healthcare Technologies Resource Guide: Analysis By Market

*(Note that these reports are updated on an ongoing basis. For the most up-to-date information, we recommend working with your local Trade Specialist. See <https://www.trade.gov/commercial-service-offices-us> to find your local office.)*
