

The U.S. Commercial Service in ASEAN

Our trade experts connect U.S. exporters to business opportunities throughout Southeast Asia.

ASEAN

Southeast Asia as a Regional Export Market

Are you exploring business opportunities in Southeast Asia? If so, **think regionally**.

[Ten countries](#) comprise the Association of Southeast Asian Nations (ASEAN). ASEAN continues to improve economic integration across its members. This means doing business between ASEAN countries will get easier. U.S. exporters already interested in one Southeast Asian market should consider exploring others.

The U.S. Commercial Service Can Help

With offices located in U.S. embassies and consulates in [Indonesia](#), [Malaysia](#), [Burma \(Myanmar\)](#), [the Philippines](#), [Singapore](#), [Thailand](#), and [Vietnam](#), the U.S. Commercial Service can help your business succeed in ASEAN.

We are ready to connect with you. Please follow CS ASEAN on social media: [Twitter](#) and [Facebook](#).

More Information

For more information on this region, please visit our [Indo-Pacific office page](#), and follow that office on their [LinkedIn Commerce In Asia](#) account.
