Cash Deposit Requirements

Further, the following deposit requirements will be effective for all shipments of OJ from Brazil entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rates for the reviewed companies will be the rates shown above, except if the rate is less than 0.50 percent, *de minimis* within the meaning of 19 CFR 351.106(c)(1), the cash deposit will be zero; (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 16.51 percent, the all-others rate established in the LTFV investigation. Notification to Importers

This notice serves as a final reminder to importers of their responsibility, under 19 CFR 351.402(f)(2), to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely

SUPPLEMENTARY INFORMATION: The U.S. Travel and Tourism Advisory Board (Board) is established under the Federal Advisory Committee Act, as amended, 5 U.S.C. App. (FACA), and advises the Secretary of Commerce (Secretary) on matters relating to the U.S. travel and tourism industry pursuant to 15 U.S.C. 1512. The Board provides a means of ensuring regular contact between the U.S. Government and the travel and tourism industry. The Board advises the Secretary on government policies and programs that affect United States travel and tourism, and the Board serves as a forum for discussing and proposing solutions to industry-related problems. The Board acts as a liaison among the stakeholders represented by the membership and provides a forum for those stakeholders on current and emerging issues in the travel and tourism sector. The Board recommends ways to ensure that the United States remains the preeminent destination for international visitation and tourism throughout the world.

The Office of Advisory Committees is accepting applications for Board members. Members shall represent companies and organizations in the travel and tourism sector from a broad range of products and services, company sizes, and geographic locations and shall be drawn from large, medium, and small travel and tourism companies, private-sector organizations involved in the export of travel and tourism-related products and services, and other tourism-related entities.

Each Board member shall serve as the representative of a U.S. company in the travel and tourism industry, a U.S. organization involved in the export of travel and tourism-related products and services, or a tourism-related U.S. entity. For eligibility purposes, a "U.S. company" is a for-profit firm that is incorporated in the United States (or an unincorporated U.S. firm with its principal place of business in the United States) that is controlled by U.S. citizens or by other U.S. companies. Members of the Board will be selected, in accordance with applicable Department of Commerce guidelines, based on their ability to carry out the objectives of the Board as set forth above. Members of the Board shall be selected in a manner that ensures that the Board is balanced in terms of points of view, industry subsector, range of products and services, demographics, geography, and company size.

Additional factors which will be considered in the selection of Board members include candidates' proven experience in the strategic development and management of travel and tourism-related or other service-related organizations; or the candidate's proven experience in promoting, developing, and implementing advertising and marketing programs for travel-related or tourism-related industries.

Priority may be given to a Chief Executive Officer, Executive Director, or President (or comparable level of responsibility) of a U.S. company, U.S. organization, or U.S. entity in the travel and tourism sector.

Members shall serve a term of two years from the date of appointment, at the pleasure of the Secretary of Commerce. All appointments will automatically terminate no later than November 15, 2013. Members will serve at the discretion of the Secretary of Commerce. Although the Board's current charter terminates in September 2011, it is anticipated that it will be rechartered.

Members shall serve in a representative capacity, representing the views and interests of their particular industry subsector. Board members are not special government employees, and will receive no compensation for their participation in Board activities. Members participating in Board
