

## INTERESTED IN EXPLORING GOVERNMENT PROCUREMENT OPPORTUNITIES IN UKRAINE?

### THE **PROZORRO** PLATFORM AIMS TO ENSURE OPEN ACCESS TO GOVERNMENT TENDERS IN UKRAINE

Fully implemented in 2016, Prozorro is a hybrid electronic open-source government e-procurement system created as the result of a partnership between business, government, and civil society. Its goal is to deliver government services in a transparent, effective, and low-cost manner and allow for enhanced and more open competition. During the webinar we will discuss:

- What is the Prozorro system
- How to navigate the system and participate in public tenders
- Top ten countries by value of contracts in Prozorro
- Debunking myths about Prozorro
- What is the Prozorro.Sale system
- How to sell, buy and lease assets through the system
- Types of assets that can be sold / leased
