## Let our global network work for you

### Worldwide Recognition

As the U.S. government, we can open doors that no one else can in markets around the world.

### Global Network

Our unmatched global network, with trade experts in more than 80 countries, can provide you with on-the-ground knowledge and connections.

### Results Driven

Our expert, in-person counseling is unparalleled, and designed to help you succeed in global markets.

# The world is open for your business

Our global network of experienced trade professionals is located throughout the United States, and in U.S. Embassies and Consulates worldwide.

Whether you're looking to make your first export sale or expand to additional markets, we offer the expertise you need to connect with lucrative opportunities and increase your bottom line.

## Our Services

### Export Counseling

- Develop effective market entry and sales strategies.
- Understand export documentation requirements, and import regulations of foreign markets.
- Navigate U.S. government export controls, compliance, and trade financing options.

### Market Intelligence

- Analyze market potential and foreign competitors.
- Obtain useful information on best prospects, financing, laws, and cultural issues.
- Conduct background checks on potential buyers and distributors.

### Business Matchmaking

- Connect with pre-screened potential partners.
- Promote your product or service to prospective buyers at trade events worldwide.
- Meet with international industry and government decision makers in your target markets.

### Commercial Diplomacy

- Overcome trade obstacles to successfully enter international markets.
- Benefit from coordinated U.S. government engagement with foreign governments to protect U.S. business interests.
