Re: RSGA Contribution to Business Alliance for Renewable Energy's (BARE's) 2024 MDCP Work Plan

I am writing to confirm that, if BARE receives the requested MDCP grant funding, TARE will contribute several hours per year of support for the entire five-year run of the project. This amounts to approximately \$7,000 of TARE support per year, totaling \$37,164 over the five-year project term.

With cordial regards,

Kemal Attabuoy
TARE President
