INDEFINITE DELIVERY, INDEFINITE QUANTITY (ID/IQ) CONTRACT VEHICLES

ASTRO

Owner: GSA FEDSIM

PoP: 11/15/2021 – 11/14/2026

The ASTRO scope includes operations, maintenance, readiness, development, systems integration, support, and research and development for manned, unmanned, and optionally manned systems, robotics, and platforms, as well as the services that support those systems, robotics, and platforms. **S²** currently holds contracts within the Support and Training Pools.

CFT

Owner: USAF

PoP: 12/1/2016 – 11/30/2024

The CFT Program provides customers the ability to obtain the flexible and rapid deployment of teams of skilled maintenance technicians that are tailored to provide the specific skills needed to fulfill the customer's defined requirement.

EXPRESS (Technical & Programmatic)

Owner: ACC, Redstone Arsenal

PoP: End Date: 04 Jan 2028
Evergreen Every 5 Years

The Expedited Professional and Engineering Support Services (EXPRESS) Program is a group of multiple award Blanket Purchase Agreements (BPAs) leveraging commercial processes and innovative enhancements established within the "evergreen" aspects of the General Services Administration (GSA) schedules program to incorporate dynamic teaming arrangements and to offer the right mix of professional and highly technical advisory and assistance services to Team Redstone.

MAS

Owner: GSA

PoP: 3/14/19 – 3/13/2024

GSA Schedule Contracts streamline the government sales process because they have pre-established pricing, terms, and conditions that government buyers can use to purchase from a company. The GSA Schedule, also known as Federal Supply Schedule, and Multiple Award Schedule (MAS), is a long-term government wide contract with commercial companies that provide access to millions of commercial products and services at fair and reasonable prices to the government. MAS makes buying easy and efficient with the use of modern technology to connect government buyers and industry.

OASIS

Owner: GSA

PoP: 5 Years Beyond End of Performance

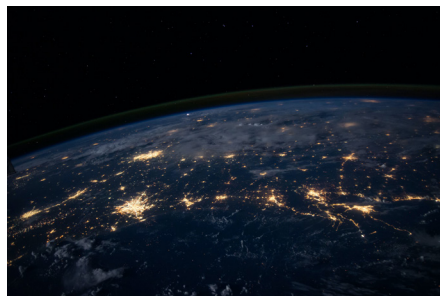

Pool 4 SB Award

PoP: 6/18/2020 – 12/19/2024

Pool 4 Unrestricted Award

PoP: 9/30/2020 – 3/1/2025

OASIS is an Indefinite Delivery Indefinite Quantity (IDIQ) contract designed to provide flexible and innovative solutions for complex professional services. The core disciplines of the contract span 28 NAICS Codes and 6 NAICS Code Exceptions that include Program Management, Management Consulting, Logistics, Engineering, Scientific, and Financial Services.

SeaPort NxG

Owner: NAVSEA

PoP: End Date: 1/1/27

SeaPort-NxG is the Navy's electronic platform for acquiring support services in 23 functional areas, including Engineering, Financial Management, and Program Management. It provides an efficient and effective means of contracting for professional support services and enhances small business participation.

RS3

Owner: GSA

PoP: 12/1/2016 – 5/31/2027

The objective of the RS3 Multiple Award Indefinite-Delivery Indefinite-Quantity (IDIQ) contract is to provide ACC-APG customers, other Program Executive Offices (PEOs) other Department of Defense (DoD) agencies, and other federal agencies with knowledge based support services for requirements with Command, Control, Communications, Computers, Intelligence, Surveillance, and Reconnaissance (C4ISR) related needs.
