1. **Advisory Committee's Official Designation.** The Industry Trade Advisory Committee on Standards and Technical Trade Barriers (ITAC 15).
2. **Authority.** The Industry Trade Advisory Committee on Standards and Technical Trade Barriers (the Committee) has been established by the Secretary of Commerce and the United States Trade Representative (Trade Representative) pursuant to the authority of section 135(c)(2) of the Trade Act of 1974, as amended (19 U.S.C. § 2155(c)(2)) (the Trade Act), as delegated by Executive Order 11846, as amended. 4. **Description of Duties.** The Committee functions solely as an advisory committee in accordance with the provisions of the FACA with the exceptions set forth in the Trade Act.

In particular, the Committee provides detailed policy and technical advice, information, and recommendations to the Secretary of Commerce and the Trade Representative regarding trade barriers, negotiation of trade agreements, and implementation of existing trade agreements affecting its sectors; and performs such other advisory functions relevant to U.S. trade policy as may be requested by the Secretary of Commerce and the Trade Representative or their designees.

OIE's ITAC Program Director jointly manages the ITACs with the AUSTR on behalf of the Secretary of Commerce, the Trade Representative, and their designees. Except as otherwise provided in this charter, Commerce is responsible for filings and other applicable statutory requirements of the FACA.

7. **Estimated Annual Operating Costs and Staff Years.** The estimated annual operating cost of the Committee is \$54,205.00, which includes 0.35 person-years of staff support, 10 security investigations, and hospitality.

The ITAC Program Director, in collaboration with the AUSTR, coordinates the Committee's activities through the DFO and Secondary DFO(s). The Assistant Secretary designates the DFO and Secondary DFO(s) from among the full-time and permanent part-time employees of the ITA. The DFO and/or Secondary DFO(s) must:
 - a. Work with the Committee members, the ITAC Program Director, and other Government officials on facilitating the development of the Committee's recommendations and insights for the Secretary of Commerce and the Trade Representative;
 - b. Ensure the Committee's activities comply with FACA and its implementing regulations, the Trade Act, and any other applicable laws, regulations, and policies;

 - i. Ensure Committee members receive the appropriate training (e.g., FACA overview) for efficient operation and compliance with FACA and other applicable legal requirements.

Pursuant to 19 U.S.C. § 2155(f)(2)(A), whenever Commerce determines that Committee meetings will be concerned with matters the disclosure of which would seriously compromise the development by the United States Government of trade policy, priorities, negotiating objectives, or bargaining positions with respect to matters referred to in Section 135(a) of the Trade Act, the meetings will be exempt from the requirements of subsections (a) and (b) of 5 U.S.C. §§ 1009-1010 (relating to open meetings, public notice, public participation, and public availability of documents), and the DFO or Secondary DFO(s) will administer the Committee consistent with this determination.

- 9. Estimated Number and Frequency of Meetings.** The Committee meets at irregular intervals at the call of the Secretary of Commerce and the Trade Representative, or their designees, acting jointly.
- 10. Duration.** The duration of the Committee is continuing, subject to the Termination section below.
- 11. Termination.** Pursuant to section 135(f)(2)(B) of the Trade Act, this charter shall expire four years from the date indicated below unless it is earlier revoked or extended by proper authority and appropriate action.
- 12. Membership and Designations.** The Committee consists of not more than 50 members with experience relevant to the subject of standards (in the context of international trade) and technical trade barriers. Members shall be appointed by the Secretary of Commerce and the Trade Representative and shall be selected on a clear, standardized basis, in accordance with applicable Commerce guidance. Committee members are to serve without regard to political affiliation. Race or sex shall not be considered in selection of the Committee membership. The core criteria used in selecting members are: representation of a sponsoring U.S. entity's or U.S. organization's and its subsector's (if applicable) interests on trade matters, ability to carry out the objectives of the Committee as set forth in Section 3 (including knowledge and expertise of the industry and of trade matters relevant to the work of the Committee), and ensuring that the Committee is balanced in terms of points of view, geography, and entity or organization size. Members cannot be a full-time employee of a Federal agency or entity. Members must be able to obtain and maintain suitability for moderate risk public trust and must be willing to sign and abide by the terms of a non-disclosure agreement to protect non-public information, including confidential international trade information.

Members serve at the discretion of the Secretary of Commerce and the Trade Representative. The Secretary of Commerce and the Trade Representative may, at their discretion, reappoint an individual member upon renewing this charter provided that the member proves to work effectively in the Committee and the represented entity's or organization's viewpoint is still needed.

The Committee chair and any vice chair(s), as appropriate, are elected from the membership by the members for a period not to exceed the duration of this charter and may be reelected for one or more additional periods should the charter of the Committee be renewed.

Committee members will serve in a representative capacity presenting the views and interests of a U.S. entity or U.S. organization and its subsector (if applicable) on the subject of

standards (in the context of international trade) and technical trade barriers; they are, therefore, not Special Government Employees.

The members shall not reference or otherwise utilize their membership on the Committee in connection with public statements made in their personal capacities without a disclaimer that the views expressed are their own and do not represent the views of the Committee, Commerce, USTR, or the U.S. Government.

Members may be allowed to be a member of more than one ITAC if they can clearly demonstrate that their membership on an additional committee will substantially forward the work of that committee.

13. Subcommittees. Commerce and USTR may create subcommittees or working groups as may be necessary, and consistent with the FACA and other applicable laws, regulations, and policies. Such subcommittees or working groups may not work independently of the Committee and must report their recommendations and advice to the Committee for further deliberation and discussion. Subcommittees and working groups have no authority to make decisions on behalf of the Committee, nor can they report directly to the Secretary of Commerce, the Trade Representative, their designees, or any other Federal officer or agency.

14. Recordkeeping. The records of the Committee, formally and informally established subcommittees, or other subgroups of the Committee shall be handled in accordance with General Records Schedule 6.2, or other approved agency records disposition schedule. Subject to relevant exceptions in the Freedom of Information Act, 5 U.S.C. § 552, and the Trade Act, records presented to or prepared for or by the Committee are available for public inspection. OIE will maintain all files required by the FACA and other applicable laws, regulations, and policies.
